ECLIPSE

Eclipse by Online Flooring Store brings highest quality and most up to date flooring products to your home.

The Team at Online Flooring Store, in conjunction with some of the best and most trusted Australian Suppliers have joined forces to bring the Eclipse Range of flooring to you.

With over 50 years of Industry Experience, we have chosen from the best available products in the industry to create the Eclipse Flooring Range.

Each range within the 4 different categories represented: Hybrid, Laminate, Vinyl Plank and Engineered Timber; represents great value for money in its class, and trusted dependability.

Because of our partnerships with the best and most reputable Australian Suppliers, all Eclipse products are backed by real warranties that are not offered by smaller, independent importers.

When you choose Eclipse flooring, you have peace of mind knowing you have purchased a quality product with genuine, real life warranties.
